JSG Oceana 11" Undermount

Product Information & Diagram

Fixture*	Weight	basin area	water depth
Sink	10 lbs.	11" x 11"	6"
Drain Hole	1 3/4"		

Undermount Installation:

1. Apply a clear epoxy/caulking to the top rim of the undermount and then hold it in place under the countertop.
2. Screw "L" brackets into countertop from underneath.

Template included with sink:

Templates are supplied only as a guideline. The physical use of the sink will assure an accurate cut-out.
